#### Clarification of News Report

We reply to your letter which we received today, May 02, 2017, regarding the news article entitled "DENR's Lopez bans open-pit mining", posted in the Manila Bulletin on April 27, 2017.

The article reads, in relevant part as follows:

"Department of Environment and Natural Resources (DENR) Secretary Gina Lopez ordered last Thursday the banning of prospective open pit mines to ensure the protection of the country's environment. XXXX

"As a matter of policy, which is my prerogative as DENR Secretary, we're banning open pit mining prospective, for the following reasons XXXX"

The article, as well the quoted statement from Sec. Lopez herself, clearly provides that the ban on open pit mining will be prospective once the administrative order takes effect.

Anglo Philippine Holdings Corporation holds investment in Vulcan Materials Corporation (VMC) and Atlas Consolidated Mining and Development Corporation (hereafter "Atlas"). VMC has ceased quarrying operations in Montalban, Rizal since September 2016, while Atlas has an existing open pit mine in Toledo, Cebu.

Aside from VMC and Atlas, Anglo has no other investment, nor any planned investment, in any mining company that is presently engaged or will engage in the future in open pit mining.

We trust the foregoing is sufficient. Thank you.
